You Are Invited to Exhibit with us!

Join us in Edmonton, Alberta Canada as we partner with 14 Botanical Societies. Become an Exhibitor and/or a Sponsor for this all-important botanical conference!

Sponsorships for Botany Conference 2015 are now available, and include social media and print advertising opportunities in the American Journal of Botany, the renowned scientific publication named one of the Top 10 most influential journals over the last 100 years in the field of Biology & Medicine - based on a survey by the BioMedical & Life Sciences Division (DBIO) of the Special Libraries Association (SLA).

Place your company in front of the eyes of thousands of biologists who read the AJB.

Conference topics to include:

Genomics - Taxonomy - Evolution - Molecular - Ecology & Conservation Biodiversity - Medical - Climate Change

The annual Botany Conference is a multiple scientific society conference serving over 9000 plant scientists whose research and practice span the globe. The conference hosts the most diverse group of practicing plant scientists and students in the country. Over 2500 academic and industry participants are expected to convene this year to share research and explore topics that focus on highly diverse, recent discoveries in the plant sciences.

Keynote speakers, academic and industry researchers present papers, offer workshops and posters on recent developments for a highly broad range of plant science topics.
